a non-profit organization registered in Innsbruck, Austria (ZVR 1180828503)

Estd: December 2021
URL: <https://www.globalandrologyforum.com/>
Office: Moreland Hills, Ohio, United States

Event notice: September 27, 2025

Dear Colleagues,

I am delighted to share with you the program for **GAF Online Academic Session 1**, an event carefully designed to reflect your interests and priorities while delivering a highly engaging, academically valuable discussion. These session will be held on the last Saturday of every alternate month for one hour each. They will be completely practical and oriented towards the education and instruction of our younger members. This inaugural session brings together expert perspectives on a clinically important and often-debated topic.

Session 1 Details:

Theme: Perspectives on Clinical Controversies

Topic: Surgical Sperm Retrieval in Non-Azoospermic Men

Date: Saturday, September 27, 2025

Time: 10:00 AM – 11:00 AM EST (Turkish Time: 17:00-18:30)

Global Andrology Forum is inviting you to a scheduled Zoom meeting.

Topic: GAF Online Academic Session 1

Time: Sep 27, 2025 10:00 AM Eastern Time (US and Canada)

Join Zoom Meeting

<https://us06web.zoom.us/j/81104730181?pwd=uUUYAiKESGLYGjNKxqpSok7T17dYO.1>

Meeting ID: 811 0473 0181 - Passcode: 083422

Format: The moderator will introduce the subject and present four real-world clinical scenarios. Our expert panel will discuss their preferred approach and rationale for each scenario. Audience participation is encouraged through the chat function, with questions relayed by the co-moderator.

Case Scenarios

- Normal conventional semen parameters with elevated SDF
- Moderate oligoasthenozoospermia with two failed IVF cycles
- Cryptozoospermia – is there enough sperm for ICSI?
- Ejaculatory failure on the day of IVF

Moderator: Vineet Malhotra, MD (India)

Co-Moderator: Amarnath Rambhatla, MD (USA)

Panelists: Christine Wyns, MD (Belgium), Selahittin Cayan, MD (Turkey), Fotios Dimitridis, MD (Greece), Aleksei Ryzhkov, MD (Russia)

Take-home Messages: Rupin Shah, MD (India)
