Welcome to Istanbul

Dear Colleagues,

With great pleasure I invite you all to Istanbul, Turkey for the EAU 6th South Eastern European Meeting which will be held on 1 and 2 October 2010.

The objective of this meeting is to share current information, convey recent research results to other colleagues and create an agreeable social atmosphere for all participant from the region.

Istanbul is one of the most appropriate cities to organise this meeting since in 2010 it is announced European Cultural Capital. This magnificent city shares its historical and cultural background with other South-Eastern Europe countries, but is also capable of building a cultural bridge between the East and the West. This meeting will give Istanbul the chance to profile itself as an educational and scientific centre in the field of urology.

On behalf of the organising committee, I would like to thank Prof. Abrahamsson, Secretary General of the EAU and Prof. Marberger, Chairman of the EAU Regional Office, to give us the opportunity to organise this meeting in Istanbul.

We are looking forward to seeing you in Istanbul to share experiences, meet with colleagues and make new friends.

Prof. Ates Kadioglu
Chairman of the EAU 6th South Eastern European Meeting

Prof. Michael Marberger
Chairman EAU Regional Office
