

3rd EURASIAN UROLOGY SUMMIT

April 21-23, 2011 / Yalta - Crimea

3rd EURASIAN UROLOGY SUMMIT

April 21-23, 2011 / Yalta - Crimea

SUMMARY

Eurasia, describing European and Asian continents in general, is also a place where majority of the world population live.

First Eurasian Urology Summit was held in Moscow on 14-15 May 2010 by Turkish Association of Urology within the framework of corporation with the countries in continents of Eurasia. Second meeting was held in Istanbul on 30 October 2010. It has been planned to hold **3rd Eurasian Urology Summit** between **21-23 April, 2011** in Crimea to maintain and strengthen the cooperation with continent of Eurasia.

Symposium undertakes an signification as Livadiya Palace has been chosen as the venue where Yalta Conference was held.

Academicians from Eurasian countries,namely,Russia, Turkey, Iran, Balkan countries, Israel and as well as Kyrgyzstan, Uzbekistan and Azerbaijan where Turkish language is spoken have been invited to the summit.

We shall feel the honor if you kindly participate to the summit which will promote academic cooperation and social interaction between Eurasian countries and which provide a different perspective in terms of Turkish Urology.
